SPORTSMANSHIP

Sportsmanlike behavior is expected of all staff, coaches, parents and guests at all times.

We have instructed our referees to immediately stop play and address unsportsmanlike conduct, taunting and flexing. This only leads to an increase in problems throughout the game/ season. Taunting and excessive celebrating will result in the player sitting out the remainder of the quarter. If the violation occurs at the end of a quarter, the player will sit the next quarter.

Please help us by continuing to teach your child to play with character and respect.

OFFICIALS

Our officials are a key part of making sure every game is fair, safe, and enjoyable for our athletes. They're doing their best in real time, often under pressure, and they deserve our respect from the sidelines.

We need to set the right example for our players. That means no negative comments toward officials, no matter the call. If we disagree, we handle it the right way—through coaches or league channels—not from the stands. Our athletes are watching us, and how we respond teaches them just as much as the game itself.

Let's keep our focus on cheering for our team, showing sportsmanship, and creating a positive environment for everyone involved.
